

NOTICE DE MONTAGE TENTE POP UP STANDARD

1

Enlever la structure du sac de transport. Mettre la structure sur pieds (chapeau (A) sur le dessus).

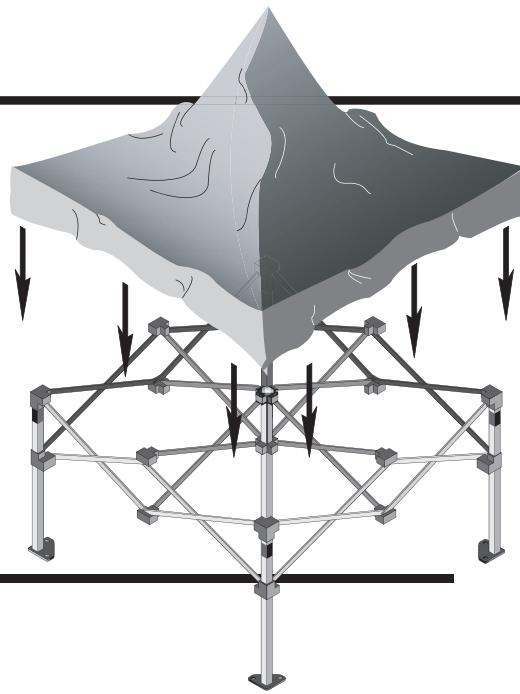

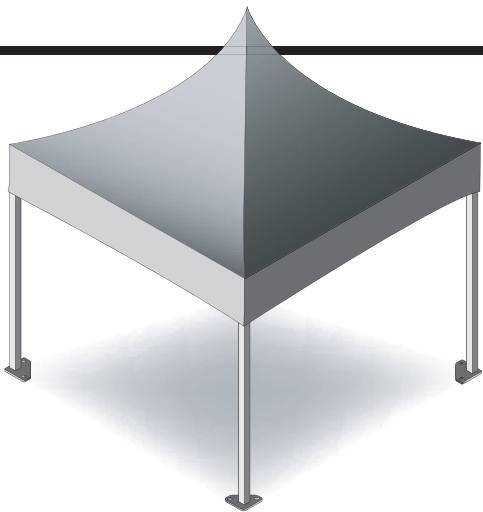

2

2 personnes, chacune à l'opposé de la structure, attrapent le croisillon central vers le bas (le (V)) et reculent.

3

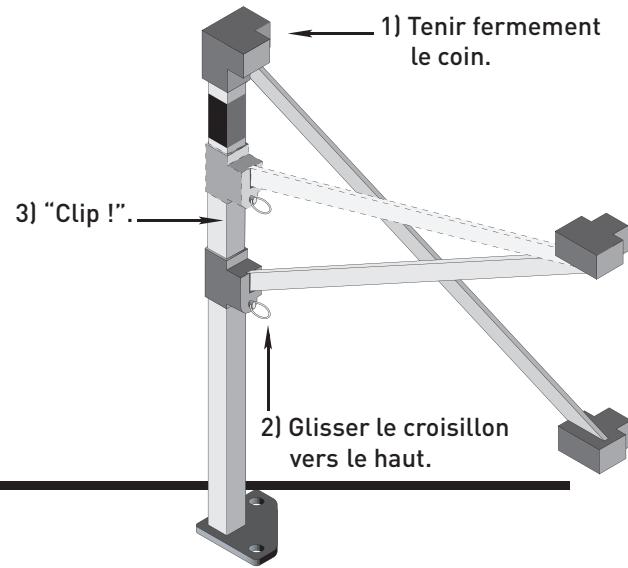

Déployer la structure de moitié.
Puis placer la toiture.

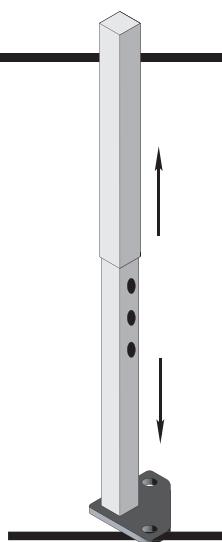

4

Idem étape 2 mais déployer la structure entièrement.

5

6

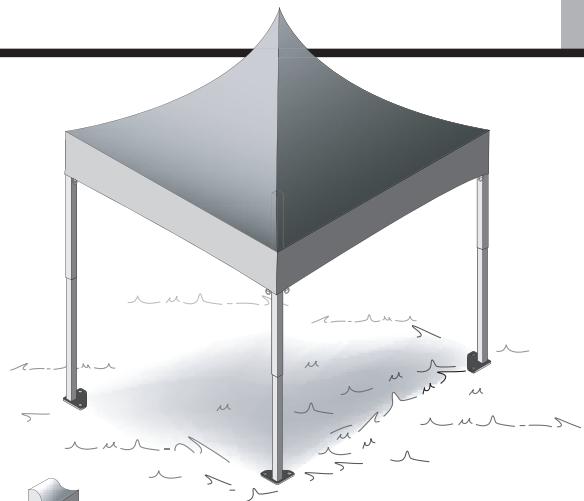

Remonter les pieds jusqu'à la hauteur décidée.

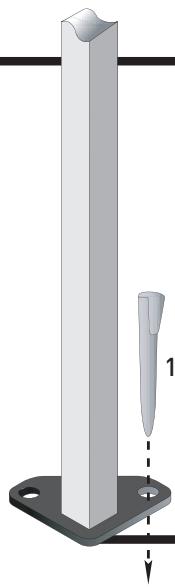

7

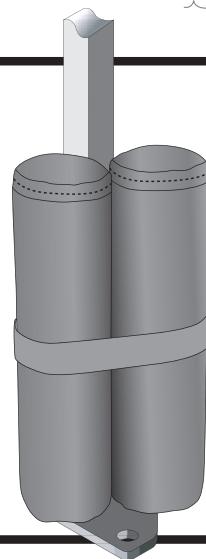

Et voilà !
En 1 minute votre tente est montée !

8

1) Sardines.

2) Sac de lestage.
